

### DESIGN & PERFORMANCE

Sleek and modern, the Star-Clean Rotisserie features elegant screen-printed glass doors that beautifully showcase your products as they cook under powerful interior lighting. Designed for both style and functionality, this robust unit delivers high output, fast cooking speeds, and exceptional roasting performance. Available as a front-load and rear door model, passthrough, it is fully insulated and equipped with energy-efficient heating elements, helping you save on both energy and costs. Effortlessly prepare a variety of proteins and vegetables while maintaining superior cooking quality.

### CLEANING

Designed for convenience, this rotisserie features *advanced assisted cleaning technology, making maintenance effortless*. A powerful steam injection loosens cooking grease, followed by a high-pressure shower for a deep, thorough clean. The unit includes a removable tub for easy collection and disposal of cooking fat. For a spotless, streak-free finish, an optional Brita water softener can be added to prevent soak stains.

### TOUCH CONTROL PANEL

- Large IPS touchscreen control panel
- 4 categories of pre-recorded programs
- Time and temperature programming
- Cleaning and maintenance menus
- 99 programmable recipes
- Alarm at the end of the cooking process and auto hold at 63°C for up to 2 hours
- Steam cleaning program
